Mediterranean lifestyle is one of the healthiest. Besides healthier and more balanced body and soul, it affects our beauty too, our skin, weight and fitness level.

We offer you a package in the heart of *Croatian Mediterranean – Split*. The largest Dalmatian city, Split, modern coastal Mediterranean town which was elected as the most alluring heritage site to live in from those on the UNESCO's World Heritage List, has developed out of palace of Roman Emperor Diocletian. He chose, out of the whole mighty and grand Roman Empire, a little town under the Marjan hill to spend his retirement days because of the sulphuric waters and medicinal mud that was a natural heal for the rheumatic diseases. So, we may say that Diocletian was our first health enjoying Dalmatia and Mediterranean tourist 2000 years ago!
